Subject: Information on the Chemours Washington Works facility for our talk later today
Attachments: Quarterly Progress Report No. 13 2009 Consent Order as Amended (2).pdf; Draft R3&5 RARE Sample Study Plan_compressed.pdf

Good morning Leah,

Hope all went well with your move this past weekend – you certainly picked a hot time to do so. . . I have attached two documents pertaining to the Chemours Washington Works facility in Parkersburg, WV. I thought we could discuss some of the major issues at this site later today. It was the first PFAS facility we have dealt with in our region. Talk to you soon.

Roger
